SUPPORT GROUP WEEKEND & CONCERT!

Piano, guitar & other instruments welcome!

August 26-28, 2022

Concert, Saturday, August 27, 2022 7:00p.m.

Most of us have been working on our own during Covid Days. Maybe we've composed a new song or 2 that no one has heard. Maybe we've been playing our music more than ever, or maybe we haven't been playing much at all. Maybe we've been discouraged. We've all been getting along with our music and trying to continue to grow during Covid Days, however, there's one thing for sure ~ we've mostly been doing it alone. It's time we all get a little support, encouragement, nudge forward, or a sympathetic ear for lack of places to share our music. Or maybe you've had a big success that you haven't been able to share with many and now is the time!

The weekend support group workshop begins Friday evening at 5:00pm and ends on Sunday afternoon at 5:00pm. The weekend includes a meet & greet group session, a short private lesson if desired, practice sessions, and a concert given by the clinician. You will have the opportunity to share your music with others, but it is not required. Topics included will include new music you've been writing, ideas bouncing around in your head, past performances, upcoming performances, successes & failures during covid, and topics of your choice. *Total cost \$100.*

All events will be held outdoors in the Backyard Studio & Recital Hall
at Jodi's School of Music in Camas, WA
